**It is important to fill out the requested information as accurately as possible. This information will appear on the Chamber's website.**

**Please remit dues by December 31, 2009**

We encourage the membership to volunteer their time and talents to help with at least one of the many ongoing projects and any new projects that the Chamber sponsors. The Cut Bank Area Chamber of Commerce has been very busy the past few years and we continue to need your support to keep these Chamber projects viable. These projects also cost more to support than what can be covered by membership dues. We are dependent on the generosity of our members to help finance these projects annually. Please check off at least one (or more!) of the projects you or your employees would be interested in lending a hand on. Please also check off the project for which you would like to make an additional financial contribution to and include that donation in your check or include a second check if you prefer. Again, thank you for your support!
